# WELCOME

MAV Safaris, a hunting outfitter based in the heart of the Limpopo Province, strives to give its clients the ultimate bush experience.

MAV Safaris prides itself on this: each client walks away having embraced the land, and what it has to offer, as well as remembering these incredible encounters. "We want to give our clients the complete package – experiencing the African bushveld at its finest, hunting with respect, and feeling the adrenalin of the hunt every step of the way," says Mario, owner of MAV Safaris and professional hunter.

MAV Safaris believes in turning clients into friends and making them lovers of the bushveld.
